1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country's public school students – 51 percent of them, to be precise – fell below the federal government's threshold for being low income, meaning they were eligible for a free or subsidized school lunch.

Pluto is the god of underworld. As the governor of hidden depth in all things, Pluto represents hidden potentials, extreme passions (which are often repressed by society), and a perception that penetrates the darkness in all things – solving mysteries and unlocking new powers (think psychology and molecular physics).
