warning labels affixed to laser cutting machines. Before you use your laser cutting machine, fully understand all of these pieces of safety information. When your laser cutting machine is combined with a CNC turret punch press, also see the CNC Turret Punch Press Safety Guide. The CNC turret punch press belongs to the category of power presses ...

Laser Cutting Machine Safety Guide - AMADA

The LCG 3015 is the latest addition to AMADA's CO 2 line of laser machines. The LCG was developed after listening to the voice of our customers who wanted a low-cost laser machine to meet their budget, but refused to compromise on cut quality, machine accuracy, and overall expandability.
