The paper seeks to contrast the roles that have been claimed on behalf of accounting with the ways in which accounting functions in practice. It starts by examining the context in which rationales for practice are articulated and the adequacy of such claims.

The roles of accounting in organizations and society

Manhattan (/ m ˈ ɒ n ɪ ˈ t ɪ n, m ɛ n -/), often referred to locally as the City, is the most densely populated borough of New York City, its economic and administrative center, its cultural identifier, and its historical birthplace. The borough is coextensive with New York County, one of the original counties of the U.S. state of New York. The borough consists mostly of Manhattan Island ...

Manhattan - Wikipedia

The transportation system of New York City is a network of complex infrastructural systems. New York City, being the most populous city in the United States, has a transportation system which includes one of the largest subway systems in the world; the world's first mechanically ventilated vehicular tunnel; and an aerial tramway. New York City's airport system, which includes John F. Kennedy ...
