Under the guidance of established industry professionals who serve as Creative Advisors, Directing Lab Fellows receive script feedback, discuss their visions, and select short scenes from their screenplays to workshop.

### **Directing Lab - Film Independent**

A film director is a person who directs the making of a film. A film director controls a film's artistic and dramatic aspects and visualizes the screenplay (or script) while guiding the technical crew and actors in the fulfillment of that vision. The director has a key role in choosing the cast members, production design, and the creative aspects of filmmaking.
