A doctorate (from Latin docere, "to teach") or doctor's degree (from Latin doctor, "teacher") or doctoral degree (from the ancient formalism licentia docendi) is an academic degree awarded by universities that is, in most

countries, a research degree that qualifies the holder to teach at the university level in the degree's field, or to work in a specific profession.

**Doctorate - Wikipedia**

Once treatment is initiated, there must be adequate documentation of progress. If there is initial improvement, and continued treatment is necessary, then some type of objective quantitative assessment to monitor the progress is required, when applicable.
