

privilege the making of pdf

White privilege (or white skin privilege) is the societal privilege that benefits people whom society identifies as white in some countries, beyond what is commonly experienced by non-white people under the same social, political, or economic circumstances. Academic perspectives such as critical race theory and whiteness studies use the concept to analyze how racism and racialized societies ...

White privilege - Wikipedia

In anthropology, privilege is a special right, advantage, or immunity granted or available only to a particular person or group. In sociology, privilege is the perceived rights or advantages that are assumed to be available only to a particular person or group of people. The term is commonly used in the context of social inequality, particularly in regard to age, disability, ethnic or racial ...
