Steps of Ancient Covenant Making Covenant Making in Ancient Cultures 1. In the ancient Near East dating back to the time of Abraham, covenants were a common aspect of life and were made on a regular basis. Covenants were as common in ancient times as business contracts, international treaties, and legislative decisions are today.

Human prehistory is the period between the use of the first stone tools c. 3.3 million years ago by hominins and the invention of writing systems. The earliest writing systems appeared c. 5,300 years ago, but it took thousands of years for writing to be widely adopted and it was not used in some human cultures until the 19th century or even until the present.

this perspective, ancient economic history is no longer an exception. Analyzing the economy of ancient Greece in terms of growth, and thus in specifically economic terms, is also a way of reintegrating its study into the general field of economic history. This book differs in part from the classic works on ancient history. Naturally,
