The Rise of Nine - Wikipedia

review 2: I think that The Rise of Nine was pretty good, but it was a transition book in the series. Nothing too big happened in this book, but many new characters were introduced as well as new ideas. I think this was an important book in this series, not only were new characters introduced but I also began to understand the ...

THE RISE OF NINE Book Trailer

The Rise of Nine is the sequel to The Power of Six. In the Rise of Nine many exciting things take place. To rate this book five stars would be too much. In the Rise of Nine the author switches perspectives between three characters, Number Four, Number Six, and Number Seven. This caused a lot of confusion to me.
