BCIT Chemistry Resource Center The BCIT Chemistry Resource Center is a wonderful online resource for chemistry which includes descriptions (and pictures) of more than 100 elements of the periodic table.

### **The Catalyst: Links - Periodic Tables**

In some circles, however, opposition to the concept of evolution has persisted to the present. The argument from design has recently been revived by a number of academics with scientific credentials, who maintain that their version of the idea (unlike Paley's) is soundly supported by both microbiology and mathematics.

### **ActionBioscience - promoting bioscience literacy**

Naver was the first Korean web service provider to develop its own search engine. It was also the first operator to introduce the comprehensive search service (which refers to optimized search results from various categories such as news, maps, images and so on, presented on a single page).
